CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of Los Angeles Directory Company printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

How to use this Directory

To get the most good from this Directory you must know what it contains and how to use it. You cannot get this knowledge by glancing hastily through the book, and assume that your mind grasps a full idea of its contents from the name. Read the Title Page, front of Book, and Glance Over the Index.

**RESEARCH
DEPARTMENT**

For the benefit of Attorneys and others interested, we maintain a **RESEARCH DEPARTMENT** for the searching of city and other directories for lost persons or defendants in court actions.

Our affidavits of search are generally accepted by judges as cause for summons by publication.

We search over 700 cities, towns, villages and rural routes in California, and over 5,000 in the United States.
